Case No. 14-C-0071

U.S. DISTRICT COURT
EASTERN DISTRICT OF
MICHIGAN
FILED
2015 JAN 21 P 3:40
JON A. SANFILIPPO
CLERK

Your Honorable Judge Pamela Peppoe

I am writing to request a 60 day

Extension to respond to the Defendants

Summary judgement motion and to retain

Counsel. I became very ill again, seeing

the De on 9-24-14 and then ending up

in the hospital from October 5-7th. My

blood pressure was spiking again from

172/98 to 236/156, my kidney function

has dropped down even more now to 20% total

function, I was put on more blood pressure

medication, and they doubled my

Antidepressant which make me extremely
sleepy. We had to move by October 15th

with no place to go, and ended up moving

in with a girlfriend and her children, six

of us in a 3 bedroom/1 bath home with

a lot of adjusting and recovering. I was

also informed from my Dr that my PAP

test came back positive for HPV and was

positive for Atypical Cells, on top of my

daughters being ill with the flu + ear

infections. I know that I am not a lawyer

but I am trying the best I can to

maintain everything right now, on top

of two deaths in my family in the last week. My phone records I sent in to prove that I was NOT a "No Call, No Show" my doctors excuses + approvals from Human Resources and so on. Its so black + white to me, a difference between right + wrong.

My past attendance records due to my kidney infections and sick kids should not be relivant. These were new policies + new rules set by Frontier + Republic Airway and Frontier lied about me being a "No Call No Show".

Yuer Honor, I am asking for a

60 day extension to respond fully + properly
and have time to study it. I have included
copies of Dr visits and my hospitalization,
my added meds, my daughters Dr visits,
some witness letters on my behalf and my
new address. I appreciate your time
and patience with me.

Sincerely,
Dafina Roter Velyov
